I, Norman Inness of Cardston in the Province of Alberta
do solemnly declare:

That I made entry for the above mentioned land at the Dominion Lands Office at Cardston on the 1st day of June 1910 for a Homestead Entry and that I have since abandoned the said land and have had my said entry cancelled for the following reasons, namely

SIR:- Adverting to your communication of the 20th, February last, Ref. 176328, addressed to S. E. Benedick, in regard to the West Half of Section 20, Township 29, Range 15, West of the Fourth Meridian, formerly held by Roy Arthur Shoults, and cancelled and re-entered by B. N. Niblock, under South African Scrip in December last, who appointed S. E. Benedick as his Substitute. I now have the honour to enclose you herewith a copy of a letter received from Mr. S. E. Benedick in this connection, from which it would appear that he visited the land and found the former homesteader Mr. Shoults in residence who has made valuable improvements since that time, and such being the case, he, Mr. Benedick would be satisfied to take the South East Quarter of Section 21, and the North East Quarter of Section 15, Township 29, Range 15, West of the 4th. Meridian, which are at present vacant and available for re-entry instead of the above, and allow Mr. Benedick to remain on the first mentioned Section.

I would refer you to this Office letter of the 11th, inst., enclosing the report of Mr. Homestead Inspector Liebscher in this connection and if you are satisfied

There are two points to be considered,

First,

No

Had Mr. Shoults properly perfected his homestead entry by being on it about a week inside of the first six months? His claim as to residence is confirmed by the Inspector's report but it would not seem that he properly fulfilled the conditions of his proxy entry. He claims that he called at the land office at Calgary the day after his proxy entry was made, and presented his entry receipt asking that the proxy condition should be removed. Says he was told by the clerk that it would not be necessary for him to call again at the end of six months.

The other point is that when Mr. B.N. Niblock located his Scrip Warrant on this land on the 10th December, he made the usual affidavit that there was no person in residence, and no improvements, whereas the Inspector's report shows that Mr. Shoults went into permanent residence on or about the 24th November or 26th, one two weeks previous.

Mr. Niblock on the same day (10th December 1909) either before or after making his scrip location at the office of the Local Agent, executed an instrument appointing S.E. Bartlet to be his substitute. This instrument has been registered in the Patent Branch but Mr. Bartlet has not

Now

Since above was dictated Benedict proposes that as Shaulty is now in res. with valuable info, the location of his warrant as substitute should be made to cover other adjoining land.

Can this be done?

As Mr. Zimmerman states, there was a long delay between the date when the entry should have been cancelled, and the date on which it was cancelled; and before taking any definite action, it is my opinion that the Calgary office should either have submitted the case to Head Office, or made sure that Mr. Shoults was not a bona fide occupant of the quarter section.

Sir,-

Referring to your file 1763686, and to the report required on the S. W. 20 - 29 - 15 - W - 4th., I beg to say that I am enclosing herewith a report made by my assistant Mr. J. A. Bannerman, in connection with the claim of Mr. Roy Shoults for the land above referred to, from which you will notice Mr. Bannerman states that he believes Mr. Shoults was in residence upon this land before his entry for same was cancelled, and he has been in continuous residence on same since the 15th of December 1909. Enclosed also will be found declarations by Mrs. L. Shoults, and Godias Beaudoin, to the above effect. It would appear from the Calgary Office papers that Mr. Shoults notified the Calgary office in February. 1909, that he was going onto this land, and from the reply given, as stated by Mr. Bannerman, Mr. Shoults might have been of the impression it was not necessary to further advise the Calgary office, although the Regulations distinctly state that one must appear in person within six months from the date of entry, which regulation he was no doubt familiar with, as it is stated

Gentlemen:-

ert ... 14 - 11 - 10th ...

I beg to acknowledge receipt of your letter of the 10th ultimo on behalf of Mr. ... Moults, making application for a refund of the entry fees paid by Mr. Moults when he first made entry for the above described land. In reply I am to say that the Department cannot refund either of the ... paid by him. If re-entry was allowed it is clear that he was in default, otherwise the Department would have reinstated him, instead of only giving priority of right to re-enter for the land.

H.

You also state that Mr. Moults paid the ... of $1.65 on account of interest on his re-emption entry, which you ask to have credited to him in connection with the new entry, but I am to say that the cancellation of the former pre-emption entry forfeits any payments made in connection therewith, and the payments must begin again from the date of re-entry. The payment of $1.65 was on account of the first transaction, and independent of the second entry altogether.

Mr. Moults may be permitted to account all actual -

Sir,

I have the honour to inform you that I have received a letter from Mr. [illegible] dated Dec. 4th. [illegible] Mr. Moulds. [illegible] date of entry [illegible] 1910.

[illegible] referring to the [illegible] of the [illegible] (Clerk) [illegible] to [illegible] view [illegible] will [illegible] consider- [illegible] well [illegible]

[illegible] Mr. Moulds [illegible] Obtained entry for the [illegible] by proxy. On the following day (4th) he [illegible] at the [illegible] office and made pre-emption entry for the [illegible] quarter. He claims to have at the time information [illegible] Clerk [illegible] and that his pre-emption entry [illegible] by proxy [illegible] that his [illegible] the claim [illegible] an error [illegible] that it [illegible] that it should not be necessary for [illegible] to [illegible] it this [illegible] it was [illegible] that it could not be necessary for [illegible] to [illegible] the local agent [illegible] it this [illegible] received.

It has been shown by [illegible] investigation [illegible] that he [illegible] residence for one [illegible] after [illegible] 10, and two weeks in September last, but [illegible] permanent residence on the 4th of November in that year.

Under ordinary circumstances, the [illegible] in the [illegible] of any [illegible] of the entry to affect his entry [illegible] in the usual way. His claim to [illegible] the [illegible] also. The [illegible] pre-emption entry [illegible] cancellation until [illegible] of the [illegible] date, according to the information subsequently submitted, Mr. [illegible] reports [illegible] in residence.

I have, &c.,

[illegible]
AS Mr. J. S.

1

As Mr. J. A. Ban[illegible], Assistant Inspector of Dominion Lands Agencies, justly points out in his report of the 16th of September 1910, had intelligent action been taken by the Local Officials, considerable trouble might have been saved. In this connection I may say that there is on file in the Calgary Office a letter signed by Mr. Shoults dated the 9th of February 1909, in which he states that he was going on his land and in answer to that letter one from the Calgary Office, dated the 11th of February 1909, (the day of his entry) and the following paragraph occurring as follows;

"It is noted that you intend making "for your [illegible] pre-emption "west half of Section 10-23-15- west 4th at "once."

Mr. Shoults might have been saved all this bother and subsequent cancellation of his entries had the clerk in charge of the letter carefully consulted the file in question whether or not the homestead entry was a proxy one, and then [illegible] the entrant of the necessity for his appearing at the Local Office on or before the 3rd of May 1909, for the purpose of executing Form 8.C. This was not done and Mr. Shoults therefore, had no idea that he was not acting strictly in accordance with the Regulations.

Notwithstanding the information which I have quoted being on file the Local Agent cancelled the entry on the 19th of November 1909, posted the land for ten days and granted re-entry on the 10th of December 1909 to Mr. B. W. Hitlock, who located a South African Land Certificate, afterwards appointing Mr. B. W. Benedict as his substitute.

The case is peculiar in that while he was strictly speaking in default with regard to the proxy conditions of his entry, he was in actual residence when cancellation took place and should, therefore, have been granted re-entry, in accordance with our usual practice on the facts being brought to light.

The Land Certificate of Mr. Benedict has been transferred and applied on other land and Mr. Shoults was authorized to make re-entry, which he did on the 2nd of November 1910. He has, however, been in practically continuous residence since the 10th of November last and it, therefore, seems a hardship that he should not be allowed to take credit for residence performed prior to present entry and my object, therefore, in submitting the case is that this point may receive consideration.

I may say that Mr. Shoults has made application for homestead patent.

MEMORANDUM,

MR. HUME,

N. W. ¼ of 20,-29,-14,-W. 4th Mer.
Pre-emption Roy A. Shoults, Nov.,1910.

This is a case of desertion of over two years' standing. The husband, it was represented, deserted the wife some time in 1914, or early in the year ~~1914~~, leaving her with four small children and without a dollar, towards whose support he has not since contributed. He was arrested in 1914, and has since sold his patented homestead.

A petition was filed with the Department in July, 1915, praying that the wife be given the privilege of making application for inspection.

Homestead Inspector Woodlock reported in the case under date the 4th of September, 1915, as follows:-

"Wife of entrant called on me this afternoon as the office was closed and has to go home tomorrow Sunday, therefore could not stay to see you. She got in communication with me and I called at hotel to see her. Pleased find her affidavit attached; she has been informed her husband would be getting out of jail about December this year. She is very anxious to get her business in shape before he comes home if he does. She don't think he will ever come back to the land. The very fact of his selling his homestead and not getting on his pre-emption six months after selling leaves him open for cancellation. She claims he owes so much he will never try to prove up his pre-emption."

Declaration of Minnie Shoults:-

My husband moved to Vancouver November, 1912 after making application for patent for his homestead, S.W. quarter; taking me and four children with him lived together for two weeks, he then left me and 4 children without a dollar, I had to sell my rings to get back to Alberta. I went on above land with my children. I got some money from my own people to keep starvation from my door. My husband got his patent in Feb. 1913. Why I know he did. He sold the land in April, 1914 to a Mr. McDowell who allowed me

allowed me to take the shack off and move it on the pre-emption. Since then I have lived on pre-emption continuously to date Sep. 4/15. Previous to moving on pre-emption I lived on hd. after coming back from Vancouver. I have never got one cent from my husband since November, 1912, since I went on pre-emption. I have fenced it, built lumber stable, dug a well, put two rooms on the shack I got from homestead, also built coal shed."

"In 1914 broke 5 acres, 1915 broke 25 acres and put the 25 acres in shape for crop 1916. I have put these improvements on myself out of hard earned money and from what I got from my own relatives. My husband was arrested June, 1914 for obtaining money under false pretenses, it might be that he will be released in December this year. After leaving me in Vancouver alone he went into the Mountains stayed two months then to Edmonton, then left Edmonton with another woman whom he introduced as his wife this I can prove. Now then the four children are all small, oldest only 11 yrs old. Now I want this pre-emption for my own as I have to support those children. I never will live with him again no matter what influence he brings to bear. I feel quite sure he will never ask me for I have heard that he is going to the States soon as he gets out of jail."

"What I want the Government to do is let me have this land in my own name after I have put in two more years' residence and put the improvements on it."

It was decided to institute the ordinary cancellation proceedings and ask the Agent to report here for further instructions, should cancellation go by default.

These proceedings were instituted on the 2nd of November last and no defence has yet been received from the entrant, although the wife now files a declaration claiming improvements effected, it is inferred by herself and children, consisting of:-

Filed by father of entrant

Children appear to be living with Mrs. [illegible]

27 acres of breaking,
House $500.00
Stable, $200.00
Well, 30 feet,
Fencing, 1½ miles.

Unless you are inclined to carry out cancellation summarily, I assume the entrant, the missing husband, is to be allowed a further time, until the 15th proximo, within which to file a defence; I would be inclined, however, to recommend summary cancellation and the granting of authority to wife to make entry.

Re: S.E. 27-21-11-4th.

In view of the fact that you have not completed your homestead duties on the above quarter section, and that you have not yet obtained your patent, and in order to facilitate the settlement of returned soldiers on the land, we would suggest that you transfer your homestead entry to one of the returned soldiers mentioned on the attached list.

If this is not agreeable to you, we would suggest that you have the land cancelled, and allow some returned soldier to obtain the same.

Yours truly,

obtaining the land as a homestead - which she did by making entry in the usual way on the 5th May last.

Notwithstanding your enlistment with the 107th Overseas Battalion, C.E.F., for active service in defence of the British Empire, it will not be possible for the Department at this juncture, to re-open the case with a view to your re-instatement. If you really wish to retain the land it is regrettable that you did not advance your claims before the Department had committed itself in the manner stated.

Sir;

Absolutely no foundation in the statement that Mrs. Shoults is living with another man, she has a house rented in Calgary keeping her four children, they are going to school. Her income is $55.00 per month, she pays $20.00 for rent. She gets $20.00 separation allowance, her husband's half pay, $15.00 and $20.00 patriotic fund. She has made arrangements with Mr. Murray, Hanna, to break 40 acres in 1917. You will notice the residence she put in on her land. prior to filing, was when her husband was in jail, another matter I want brought to your attention, her husband has been a very worthless character, after getting out of jail he got two small cheques cashed with no funds, his wife paid those cheques out of her allowance, if he had not enlisted he would have had to serve another term, he got his choice and that is why he enlisted. Mrs. Shultz wants an extension for 1 year in order to give her children a little education. As for the children living on the farm with their uncle, this is not true as he is living in Calgary, there is no one on the land, but in 1916, the early part of the year, the uncle was living on the land and had

Madam,

S.E. ¼ of 9-29-15- 4th M.

Referring to your request to be granted an extension of time for one year within which to resume the performance of residence duties in connection with your homestead entry for the above described quarter-section, I beg to say that as the Agent of Dominion Lands at Calgary reports having received an application for inspection, it will not be possible to grant your request. For your own benefit I might explain that according to the evidence submitted in a recent report by a Homestead Inspector, you have performed the residence duties for two years and it would seem that if you will undertake to put in another six months during the coming summer and increase the area of your breaking to thirty acres (twenty acres of which should be sown to crop) you will be in a position to successfully make application for patent under the rule of the Department without waiting until three years have elapsed from the date of your entry.

You will be granted a period of thirty days from this date within which to notify the Agent at Calgary as to your intentions in the matter.

Sir

I am writing you in regard to the N ½ of 20. 29. 15. W of the 4th, and to ask you to reconsider your decision, as to allowing Mrs Minnie Moulds to prove up on same, and beg to call your attention to the following facts about her. She is the niece of my wife, two years ago we went up to her place to help her, she wanted to go away and work, in June 1915 she went to Hamiota Man., and secured a position in an hotel, while then she got acquainted with a married man named Frank Sparling who has a wife and three children, she has been intimate with him ever since. Last June he left his wife and joined Mrs Moulds in Edmonton, afterward taking her to Sask. they lived together at Cupar Sask. as Mr & Mrs Sparling and left there just as the mounted police went [illegible]

brother into Manitoba who had enlisted in the
Princess Pats. they motored from there through to
Calgary, [illegible] 4th Inf. Bde Camp at Mrs Curries 4th 13th Ave E. as
they also stayed at the Alexandria Hotel.
Mrs [illegible] Last Dec: we decided to send
the child back to her, she then had to change her
home & name back to her rightful one. she took a
funeral home from Mrs Sowell at 1515. 4th St W.
the man [illegible] passing off as her brother. Our reason
for sending the children back to her was she would not
contribute anything to their support, in the 18 months
we had them she gave us in all not more than
50$ at this time she was receiving her husbands
assigned pay 15$ Sep all. 20$ Pat. Fund 20$ and the
Manitoba Pat. Fund 20$ or 15$ per month, in addition to
this whilst her husband was in Stony Mt. I gave her
Power of Attorney to dispose of her homestead, this she
sold for 2000$ receiving 1000$ cash the balance on mortgage.
she paid off about 500$ of her husbands debts, the balance
she has had the benefit of in fact [illegible]

so hundreds due her. The man she has been living with informed us it was their intention, just as soon as she can prove up on this quarter and sell it, to place the children in some home and to ship out together to some place where they will never be heard again. Mrs Stoutt has told my wife and myself how we remonstrated with her on her manner of living, that we had given him up not once but many times, this was always a lie as we found when moved to Calgary they were still together, she is roughly had and unmoral and it will be a great injustice if the quarter in question is not held for by Stoutt or the children, certainly she should never get it. All I have written you can be proven. My wife and I are going to take steps to have the children removed from her custody, as she is not a fit and proper person to have the care of them. She is at present out on the homestead. Mrs Stoutt husband is Cpl. Roy Stoutt. 10th Batt. Can. Pioneers. Hoping you will investigate this matter I am Yours respectfully Ernest W. Scanlon

MEMORANDUM:-

Mr. Hyme.

Application for patent of Mrs. Minnie Shoults for the S.W.¼ 26-20-W.-4th Meridian.

This land is the cancelled pre-emption entry of the entrant's husband who deserted her in 1912, or the early part of 1913, and it was decided to cancel the entry of Mr. Shoults and allow re-entry as a free homestead to his wife.

Since desertion Mrs. Shoults has performed three terms of residence and has the cultivation duties done.

The point is, as she obtained entry for her free homestead on the 5th of May, 1916, please say if patent is to issue at once, or whether three years must elapse from the date of entry.

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows: -

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

25th June, 1928.

MEMORANDUM:

Mr. Perrin.

N.E. 21-11-7 W.4th M.

The Timber and Grazing Lands Branch have asked to be advised if the Inspector's report of the 23rd of April last varies with former reports on the above described land and if in view of the latest report whether or not this land could be considered of a class which might be disposed of under the grazing regulations.

In April, 1924, Inspector McCowan reported that there was no one in residence on the above land. No breaking but it was all fenced. He did not state the nature of the soil or what area was fit for cultivation.

In December, 1927, the same Inspector reported to the effect that the soil was sandy clay, that there was no breaking and the cultivation had gone back to weeds, also that the fencing was in poor repair.

In April, 1928, Inspector McCowan again reported on this land. He stated that the above land is slightly rolling and stoney not suitable for agriculture or stock homestead.

In view of the above mentioned reports I would suggest that the Timber and Grazing Lands Branch be advised that this land may be considered of a class which could be disposed of for grazing purposes.

Re: Account of A.L. Pasey
N.E. 21-11-7-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain amounting to $165.00 was advanced to A.L. Pasey on the security of the above mentioned land. A payment of $60.00 was received in 1928 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 165.00	$ 245.86	$ 410.86

Patent was issued in the name of A.L. Pasey for the S.E. 21-11-7-W4 on the 13th of February 1914 later becoming subject to the 1915 lien. The N.E. 21-11-7-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 23rd of April 1927 and is still unalienated Crown land held in the right of the Province.

In 1929 the S.E. 21-11-7-W4 became subject to forfeiture proceedings for nonpayment of arrears of taxes and title is now vested in the Crown in the right of the Province.

In reply to our questionaire of the 18th of February 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"The above described lands which are situated outside of the homestead lease areas, are included in Grazing Lease No. 33759. This lease issued for a term of twenty years, and expires on November 1st, 1968. It is not likely that the lands will be used for farming purposes."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled and the lien discharged.

Sir,-

S.E. ¼ Sec. 18 Tp. 11 Rge. 7 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Ernest C. Anderson, Esq.,

Department of the Interior

26th January, 1928.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

The undersigned has the honour to report that in the years 1920, 1921 and 1922, Hugh C. McDaniel received from the Province of Alberta advances of seed grain, fodder and relief, in connection with which his indebtedness to the Province on the 31st August, 1927, amounted to $1161.22, secured by liens upon the North half of section 20, Township 11, Range 8, West of the 4th Meridian, and chattel mortgages on live stock and farm machinery as collateral security for the relief advances.

The sum advanced for fodder and relief amounted to $393.20, and under the agreement between the Province and the Dominion, fifty per cent of this amount became chargeable to the Dominion in the event of non-payment. Default having been made by the said Hugh C. McDaniel, the Dominion in due course paid to the Province the sum of $196.60. Later a collection was made from this debtor by the Province of the sum of $14.40, fifty per cent of which ($7.20) was paid over to the Dominion.

Owing to drought in recent years it is represented that the farming operations of this settler have not realized working expenses, and he has submitted an offer of $300.00 in full settlement of his account with the Province. In that connection it is represented that the Manufacturers' Life Insurance Company, which holds a mortgage against the land above described, (the said mortgage having priority as regards the liens above referred to) has accepted fifty per cent of its claim.

It is further represented, with respect to the chattels upon which security was given as above set forth, that the greater part of the live stock has died, and that the farm machinery is very much depreciated in value through continued use, and will have to be replaced in the near future.

The Committee appointed by Order-in-Council of the 22nd November, 1927, P.C. 2300, to deal with the appointment and adjustment of indebtedness incurred for advances of seed grain, fodder and relief, is unanimous in recommending the acceptance of the sum of $300.00 by the Province in full settlement of this account. A copy of the recommendation of the Committee and of the accompanying report of the Director of the Debt Adjustment Act of Alberta will be found attached.

Encl.

Cf

Of the sum of $500.00 proposed to be accepted, the proportion applicable to the fodder and relief account is $240.30, fifty per cent of which is payable to the Dominion, leaving a net amount remaining unpaid so far as the Dominion Government is concerned, of $69.45.

In view of the recommendation of the Committee above set forth, the undersigned, under and by virtue of the provisions of Section 2 of the Act 17 George V, Chapter 51, recommends that the settlement as above set forth be accepted and that authority be given to discharge and release the remaining portion of the indebtedness to His Majesty in the right of the Dominion both as to principal and interest, in respect of the advances to the said Hugh C. McDaniel hereinbefore referred to, and to take any other action necessary to clear the records of the Land Titles Office in that regard.

Respectfully submitted.

Minister of the Interior.

Certified copy of a Report of the Committee of the Privy Council, approved by his Royal Highness the Governor General on the 9th January, 1917.

- - - - - - - - - -

The Minister of the Interior states, under date 18th November, 1916, that authority has been granted to "The Southern Alberta Land Company, Limited", under the provisions of the "Irrigation Act", to construct a reservoir in townships thirteen and fourteen, range ten, west of the fourth meridian; that the said reservoir comprises all, or part, of certain quarter-sections which are now held under homestead or pre-emption entries and that the successful operation of the said company's irrigation system requires that the land contained in the said reservoir site shall be owned or controlled by the Company.

The Minister further states that in some cases all of the land so held under entry is required for reservoir purposes; in other cases the greater portion of the land so held is included in the entries and, in his opinion, the remaining portions are not sufficient for the support of a family by ordinary farming operations.

The Minister, therefore, recommends that "The Southern Alberta Land Company, Limited", be permitted to acquire, by purchase from the respective entrants, the land shown in the schedule appended hereto and to take quit claim deeds, or surrenders, from the said entrants for all of their right or interest in the said land, the said quit claim deeds, or surrenders, to be filed by the said company with the Minister of the

The Honourable
The Minister of the Interior.

Interior; that upon the filing, as aforesaid, of quit claim deeds, or surrenders, in evidence of the extinction of all the right and interest of the respective entrants in the said land, letters patent for such land shall be granted to "The Southern Alberta Land Company, Limited", without further payment or condition, and that each such entrant who so surrenders his right and interest in the land shall have the privilege of acquiring a similar area of land elsewhere under homestead or pre-emption entry; and that the residence duties performed by each such entrant upon the surrendered land shall be counted towards the duties required by law upon the lands hereafter to be selected by him in lieu of the surrendered land.

The Minister conveys that the land affected and the names of the respective entrants are as follows and are further shown on the plan annexed hereto:-

1.- The south half of section thirty-four, township thirteen, range ten, west of the fourth meridian, which is held by Milton P. Clark under homestead and pre-emption entries;

2.- The west half of section thirty-five, township thirteen, range ten, west of the fourth meridian, which is held by Max Cox under homestead and pre-emption entries;

3.- The north half of section thirty-four, township thirteen, range ten, west of the fourth meridian, which is held by James Bell under homestead and pre-emption entries;

4.- The north east quarter of section thirty-three, township thirteen, range ten, west of the fourth meridian, which is held by John Stewart under homestead entry;

5.- The northwest quarter of section thirty-three, township thirteen, range ten, west of the fourth meridian, which is held by Samuel Tucker under homestead entry;

6.- The southeast quarter of section thirty-three, township thirteen, range ten, west of the fourth meridian, which is held by Edward Altman under homestead entry.

The Minister further observes that the east half of section thirty-five, township thirteen, range ten, west of the fourth meridian is held by A. M. Lyon, the northeast quarter of the said section under pre-emption and the southeast quarter under homestead entry; that the reservoir herein before referred to covers 110.8 acres of the said northeast quarter.

The Minister further recommends that "The Southern Alberta Land Company, Limited", be permitted to acquire, by purchase, all of the right and interest of the said A.M. Lyon in that portion of the northeast quarter of section thirty-five, township thirteen, range ten, west of the fourth meridian, covered by the said reservoir, viz: one hundred and ten and eight one-tenth acres (110.8) more or less, but to take a valid claim from, or surrender, from the said A. M. Lyon for all of his right and interest therein, such valid claim dead, or surrender, to be filed by the said company with the Minister of the Interior; that upon the filing of such evidence of surrender of the patentee's right and interest, letters patent shall issue to the said company for the land so surrendered without further payment or condition and the said A. M. Lyon shall have the privilege of acquiring one quarter section of land elsewhere, under the regulations governing pre-emption entries; provided that no residential duties shall be required from the said A.M.Lyon upon the land to be so selected by him.

The Committee, concurring in the foregoing, submit the same for approval.

Although the Volunteer Bounty Act, 1908, does not provide for such cases, I think, under the circumstances, that the Department would be justified in reserving the land upon which Mr. Lamoureux desires to locate his Volunteer Bounty Land Certificate, until he is 18 years of age, upon the conditions required under the Dominion Lands Act, where a quarter-section is reserved for a minor, being complied with.

Dear Sir,

I have your letter of the 21st ultimo, on behalf of Mr. Ernest Lamoureux, who has made application to locate South African scrip on the N. W. ¼ of 19 - 59 - 21, W. 4th., and the N. E. ¼ of 24 - 59 - 22, W. 4th. M., but who was unable to make entry on account of not being eighteen years of age.

In reply I beg to say that there is no provision in the Dominion Lands Act or the Homestead Regulations which would permit the Department to reserve this land from settlement, in order that Mr. Lamoureux might locate South African scrip thereon. The only provision for a reservation of this nature is that the father may make application and have a quarter-section of land reserved for his son who has reached the age of seventeen years, the same to be held until the boy becomes eighteen years of age, when he is required to appear at the local Agency and make homestead entry therefor.

Regretting that the Department is unable under the Act to comply with your request on behalf of Mr. Lamoureux, I am,

Sir,

Replying to your letter of the 14th ultimo, I am directed to inform you that the time within which South African Volunteer Bounty Land Certificates may be located has not been extended beyond the 31st December, 1910.

The Minister of the Interior has, however, introduced a bill in the House of Commons, the purpose of which is to extend the time within which the Scrip issued under the Volunteer Bounty Act, 1908, may be located, from the end of the year 1910, to the end of the year 1911, but such extension will have to be sanctioned by Parliament.

With reference to your request to have the scrip for ~~xxx~~ which your son, Ernest Lamoureux was appointed substitute transferred to your wife, I am directed to inform you that if there is filed in the Department a release from the substitute, Ernest Lamoureux, to the Volunteer, William A. with a Statutory Declaration made by the Volunteer, setting out why the application for the change is made, the question of the cancellation of the registration of the instrument appointing the substitute, and of the issue of a new certificate in favour of the Volunteer will be considered.

If this course is adopted a new instrument appointing your wife the substitute might be obtained, in which case she, if otherwise eligible, might locate on the land desired, if available, as the substitute of William A. Kennedy.

Must the [illegible] lose his claim, or can you issue another certificate? I'm inclined to think that no matter who is responsible for the loss, if it is a loss, and there seems some doubt in my mind as to who [illegible] should it.

I am extremely anxious to have the department do something that would enable this matter to be finally settled. We have the record here in our office showing that he is the duly registered holder thereof, and I would think that it would be quite within the power of the department to issue one [illegible] for him. The only [illegible] to be taken is the surrender of the said script if it can be found and is inserted in it [illegible] registered in the department.

Will you please look into this matter and do what is possible to be done for the poor man and relieve us of the responsibility which [illegible] seems to rest upon us.

I have the honour to be

Sir

Your obedient servant,

Alex Stuart

LAND PATENTS BRANCH.

H.P.J. Ottawa. 24th November, 1910.

Memorandum:-

The instrument appointing Ernest Lamoureux the substitute of William A. Kennedy was registered on the 22nd Nov., 1910, but Mr. Lamoureux, who was under 18 years of age, could not make entry under the certificate until the 7th instant, and there was no authority under which the land could be reserved for him until that date.

I see by letter that the certificate has been lost, and as the land office Mr. Lamoureux wishes to enter for is still vacant, Mr. Alexander Stuart, K. C., of Edmonton, requests that the Department issue a duplicate certificate, and looks to the Department to secure the land for Mr. Lamoureux.

As you are aware, South African Volunteer Bounty warrant certificates are not duplicated, but upon a declaration and a satisfactory bond for $3000.00 being filed in the Department, Mr. Lamoureux could be authorized to make entry.

This, however, would take some time, and in the meantime the land for which entry is desired may be disposed of.

In a somewhat similar case, where the certificate had been lost, the substitute filed a Statutory Declaration, setting out the particulars of the loss of the certificate, and as he was very anxious to secure a certain half-section, the Agent for the district in which

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

which the land desired was situated, was authorized to grant him an entry, provided he was otherwise eligible, without the production of the Certificate which had been lost, subject, however, to the entry being cancelled, if the Certificate was not produced within 30 days, or a satisfactory bond of indemnity for $3000.00 being filed in the Department., I think similar action might be taken in this case.

Mr. Lamoureux's father made homestead entry and his brother made a homestead entry and located a South African Land Certificate; and it is presumed that he desires to locate near them.

Respectfully submitted,

Chief of Branch.

Sir,

Replying to your letter of the 11th ultimo, respecting South African Volunteer Bounty Land Certificate No. 3525, issued to Mr. A. Kennedy, who subsequently appointed Ernest Lamoureux as substitute, on which Certificate it is stated to have been lost, I am directed to inform you that, as stated thereon, South African Volunteer Bounty Land Certificates cannot be duplicated if lost or destroyed.

It has been decided, however, if there is filed in the Department a Statutory Declaration made by some person cognizant of the facts, setting out the particulars as to the loss of the Certificate in question, and such declaration is satisfactory to the Department, together with a description of the land upon which it was desired to locate the Certificate, to authorize the Agent of Dominion Lands for the district in which the land selected is situated, provided he knows of no reason to the contrary and the land is available in his records, to grant entry to Mr. Ernest Lamoureux, as the substitute of William A. Kennedy, provided he is eligible, and subscribes to the usual application for entry, without the production of the South

26th September, 1917.

Sir,

With further reference to your application to substitute scrip in lieu of cultivation duties on your homestead, the South West quarter of section 19, Township 39, range 21, west of the Fourth Meridian, and on your South Eastern scrip, the South half of section 13, Township 51, Range 21, west of the Fourth meridian, I beg to say that a Homestead Inspector has now furnished a report on each parcel.

In view of the information furnished it has been decided to permit you to prove up your homestead under the ordinary rules; but I recommend you herewith a "Settlers" containing a summary of the Homestead regulations. Your attention is especially directed to rules 12, 20 and part of 21, better conditions in force. You should also fill in the enclosed Declaration, [illegible] the oath you have taken being sufficient.

Sir,

I have to acknowledge the receipt of your letter of the 12th. instant, enclosing your Soldier's Declaration, and to inform you that the same has been duly registered.

Yours obedient servant,

Secretary.

According to the Inspector's report on the half-section you hold under scrip, it would appear that you have done sufficient cultivation duties to entitle you to patent, provided you have complied the other necessary duties. The Inspector values the 10 acres you have under cultivation at $200.00, and it would appear, therefore, that it is equivalent in work and value to the breaking up of 30 acres of ordinary prairie.

You will see from the last paragraph on page 18 of the "Handbook" that a reduction in the area required under the regulations is permitted in cases where the land is difficult and costly to break.

The Inspector gives you credit for the following residence on your scrip land:

1911, 1st Jan. to the 31st July.
1912, 1st May to the 31st Dec.
1913, 1st Apl. to the 31st Dec.
1914, All year.
1915, 1st Jan. to the 30th June,

and if you have actually performed this amount of residence on your scrip, you would seem to be in a position to swear with your two witnesses before the Agent or.....

or Sub-Agent of Dominion Lands for the district and make your application for patent. Kindly inform the Department wh't your intentions are with regard to making application for patent.

In the 7th instant last you furnished a declaration in form 126, stating that you were employed at farm labour on the East half of section 30, township 24, range 23, west of the fourth meridian, owned by yourself, from the 1st June to the 31st December, during the present year; and on the 21st ultimo you were informed that your homestead entry for the south west quarter of section 19, township 30, range 21, west of the fourth meridian would be protected during the term of your employment at farm labour.

You will see from paras 3 & 4 of the supplement to the "Manitoba" that such time can be counted to your credit as performance of homestead residence duties.

Your term at farm labour will only apply towards your free homestead, as it would appear from the inspector's report that you have completed the residence duties on your scrip land.

Your obedient servant,

Assistant Secretary.
